### CONNECT WITH NATURE AT THE NEW HANGING GARDENS IN KALBA

The Hanging Gardens in Kalba is the latest attraction in the UAE, allowing visitors a refreshing opportunity to relax and unwind in nature. Spanning 1.6 million square feet, the charming destination is nestled at a height of 281m above sea level, and is home to over 100,000 trees. Adorned with lush greenery, floral wonders and a waterfall, the Hanging Gardens feature a central restaurant structured in a classic semi-circular architectural design offering panoramic views of the botanical haven. Some of the exciting activities at the garden include a train ride along an 820m track, a 760m running track, designated skating area, and plenty more leisure facilities for children and adults, alike.
